

Dave Thompson , Founder of Dave's Travel Corner

Over the past 17+ years our core focus has been promoting experiential travel; our readers are actively interested in a wide range of travel experiences across a variety of budgets.

I began Dave's Travel Corner in late 1996 as a result of a life-changing trip to Nepal in which I trekked near Everest Base Camp. I began writing a journal while I was on the trip and it was the notes from this journal that became the foundation for Dave's Travel Corner.
